Re: Submission of Information – Lower Darby Creek Area Superfund Site

Dear Ms. Frisk:

This is to confirm your conversation with Rebecca Kopp on November 5, 2001, relating to your request for information concerning Temple University's waste disposal practices from 1958 to 1976. I understand that you kindly agreed to extend until November 30, 2001, the deadline by which Temple University must respond to your request for information. I will contact you during the week of November 26, 2001, to update you on the University's progress in responding to your request for information.

If you are able to identify any of the individuals involved with Temple University's waste disposal practices during 1958-1976, I would greatly appreciate it if you could inform me of their names – such information would facilitate Temple University's ability to comprehensively respond to your request for information.

Please call me at 215-204-6542 if you would like to discuss these matters further.

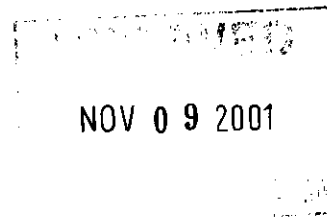

Thank you, in advance, for your assistance.

Sincerely,

Susan B. Smith, Esq.  
Associate University Counsel
